Penair School,
St Clement,
Truro
Cornwall
TR1 1TN

Dear Parent/Carer,

We are bidding to bag a massive cash boost from the Tesco Bags of Help initiative, to fund basketball hoops near our tennis courts. We hope that the new equipment will encourage our students to get outdoors and make the most of our facilities. The basketball hoops can be made use of both during and after school by our students.

Tesco teamed up with Groundwork to launch its community funding scheme, which sees grants of £4,000, £2,000 and £1,000 – all raised from the 5p bag levy – being awarded to local community projects.

Three community groups in every Tesco region have been shortlisted to receive the cash award and shoppers are being invited to head along to Tesco stores to vote for who they think should take away the top grant.

We would appreciate your support during the voting period, to enable this to happen.

Voting is available in our local Tesco store in Truro throughout July and August. You can cast your vote using a token given to you at the check-out in store each time you shop. Please make sure that you ask for a token and support Penair.

Tesco's Bags of Help project has already delivered over £30 million to more than 4,600 projects up and down the UK. Tesco customers get the chance to vote for three different groups every time they shop. Every other month, when votes are collected, three groups in each of Tesco's regions will be awarded funding. If Penair win the vote they receive £4,000 towards the purchase and installation of the basketball hoops.

Groundwork's National Chief Executive, Graham Duxbury, said: "We've been thrilled to see the diversity of projects that have applied for funding, ranging from outdoor classrooms, sports facilities, community gardens, play areas and everything in between.

"We're looking forward to learning the results of the customer vote and then supporting each group to bring their project to life."

Kindest Regards,

James Davidson
