

KEY STAGE 4 COURSE INFORMATION 2014 - 2016

Name of course

City & Guilds MultiSkills Construction

Examination Board

City & Guilds

Qualification title and ref no.

MultiSkills Construction (6219-07)

How is the pupil assessed? (Give details of Criteria / exams / coursework etc)

- Practical Assessments
- Assignments, classroom based and through a range of methods; research, reports and case studies.

Core units

- This qualification has two compulsory units, delivered in the classroom, Health and Safety and Principles of the Industry.
- Core units are designed to cover the body of content that employers and educators within the sector consider essential for 14-19 year old learners.
- Both units will be internally assessed and will be externally sampled.

Mandatory unit(s)

- Mandatory unit(s) assess additional knowledge, skills and understanding that are not covered within the core units but that are essential to the curriculum area or vocational sector for either the qualification size or sector.

- The mandatory unit in this qualification is a 30 GLH unit that is internally assessed.

Optional specialist units The remainder of the qualifications in the sector will be formed from optional specialist units.

- Optional specialist units are sector specific, focus on a particular area within the vocational sector and provide an opportunity to demonstrate knowledge, skills and understanding.
- Optional specialist units will normally be 30 GLH, but may be smaller or larger. They will also be required to evaluate their data and the methods used to collect it, and draw and justify a conclusion.

Units Covered during the Programme

- Unit 101 - Introduction to Health and Safety
- Unit 118 - Constructing Block Walling
- Unit 119 - Constructing Half Brick Returns
- Unit 120 - Constructing Cavity Walling
- Unit 008 - Applying Render Coats
- Unit 125 - Applying Finishing Coats
- Unit 126 - Mixing and Applying Float Coats
- Unit 104 - Constructing Halving Joints
- Unit 108 - Fixing Architraves and Skirtings
- Unit 110 - Fitting Locks and Latches

Wider Reading / Study Guides

We provide all pupils with study resources and independent study options.

Summary of course

The City & Guilds (6219) has been designed specifically for the requirements of 14-16 learners studying in schools looking to sample Construction and achieve a Diploma. It has been developed alongside expert writers from education and industry, and with input from teachers within schools and FE colleges.

How can parents help?

Helping with preparation for the Unit assignments.

Encouraging maximum attendance.
