Dear Parents/Carers,

Changes to our Sports Kit Supplier

I am writing to inform you of some important changes that have been made to our sports kit supplier.

Until now, we have had a different supplier for both boys and girls sports kits with slightly different pricing structures. Whilst the quality and appearance of the kit has been good, this has caused obvious issues for parents with both a son and daughter.

We have now changed our sports kit supplier in order to make the process of ordering and receiving kit as easy as possible for parents. We have also reviewed the pricing of our kit and have negotiated a very high quality kit for the best possible price.

This change in supplier does not mean that you have to buy the new kit from the new supplier. Instead, any replacement item of kit that you may require in the future, or any optional garment such as a hoody or shower top, must now be purchased through our new supplier, AGame. Only new Year 7 students are required to purchase their full kit.

Please see the following link for the on-line shop. This link can also be found on our website direct to the company and a payment system for purchasing new items. The process of buying sports kit is now far more straight-forward for you as parents.
