Dear Parents/Carers

We are writing to you regarding a 'paired reading' initiative which hopes to help the younger students (Years 7 and 8) in our school, improve their reading skills. The sessions will take place once a week during the school's lunch hour (13.10 – 14.00) in the library. We would be appreciative if parents, alongside other Year 11 pupils would be willing to help students improve their literacy skills during this hour. This would require parents to listen patiently to a child read with the view of gently encouraging them to improve their reading skills, week on week. We will provide tea and coffee; students and parents alike are welcome to bring their lunch to eat in the library.

We aim to start the weekly sessions on Wednesday 22nd February. If you are interested, please complete the slip below.

If you have any questions please e-mail: mkendall@penair.cornwall.sch.uk

We look forward to your continued support with this.

Kind regards

Mrs M Kendall
