

Our Ref: DAE/SH/ September 2016

Dear Parents/Guardians,

**Re: Sex and Relationship Education Lessons**

Over the course of this year your child will be studying a topic which will be part of the statutory Sex and Relationships Education. This will be delivered through PSHE (Personal, Social and Health Education). Depending on which group your child is in they may be studying it in the Autumn, Spring or Summer term.

The topic covered in your child's year group is as follows:

Year 8 : Families and Contraception

This will cover the responsibilities of parenthood and the factors that a couple will need to consider before having a baby. We shall go on to look at conception and then the ways of preventing a pregnancy in those times when a couple choose not to have another child.

If you have any questions or concerns, or wish to withdraw your children from these lessons please do not hesitate to get in touch with us so that we can discuss it. We would also encourage you to continue these conversations at home with your child and will be advising the children to do the same.

Yours sincerely,

**Daniel Eva**  
**PSHE Co-ordinator**
